To our Valued Client:

Greetings and Happy New Year!

The staff at Haick Accounting Services would like to take this opportunity to thank you for letting us prepare your Personal and/or Business Income Tax Returns.

Our company has proudly provided tax & accounting services for over 35 years and our goal has always been to give you the highest quality service available.

The *Income Tax Itemizer*, a guide when gathering your 2016 personal income tax information; the *Rental Guide Sheet*, a guide when gathering your rental property tax information; and the *Business Guide Sheet*, a guide when gathering your small business tax information and our office does not do your bookkeeping are now available **online** at www.haick.com/itemizers for you to **download and print**. Please review them carefully as there have been some significant changes this year. If you would still like them mailed to you, please call our office at 716-695-9542 and we will mail a packet promptly to you.

Additionally, this year we will be offering a new EZ Express Service for dependents. Any children in college or under the age of 18 that you claim as a dependent can use our new *EZ EXPRESS INCOME TAX ITEMIZER*, also available **online** at www.haick.com/itemizers. They can drop off the Itemizer with their tax documents and we will process the return at a discounted rate without having to make an appointment!

Most tax payers will continue to receive a form this year which reports your health insurance details to the Internal Revenue Service. A form **1095-A**, **1095-B** or **1095-C** will be mailed to you from your insurance company. You must bring this form with you to your tax appointment or it could **delay the processing of your tax return**. If you do not receive one, please call your insurance company in advance of your scheduled appointment.

Lastly, **telephone scams** of callers posing to be the Internal Revenue Service have been rampant. Please be aware the IRS will never call you to threaten jail, lawsuit or otherwise pressure you into collecting outstanding taxes. If you receive this type of call it is a scam. **Do not ever pay the tax they claim you owe** and promptly report the scammers name and telephone number to the IRS at 1.800.366.4484 or at www.tigta.gov.

If you have any questions or need additional information about preparing your 2016 Income Taxes, please feel free to call our office.

Wishing you a happy and healthy New Year!

Sincerely Yours,

Christopher W. Haick
